

Our prayers go out to anyone who's been impacted by the global coronavirus pandemic. All of our families, communities, businesses, churches and ministries are being affected. We want to keep you informed on how we're approaching the situation at GATE PRC.

We're focused on the health and safety of our clients, volunteers, staff and their families. We are also committed to providing critical needs of our clients during this time. We made necessary adjustments outlined below. If you have any questions, please feel free to give us a call at **704.455.5200**.

- **GATE will NOT be open for client visits. This includes no group or individual coaching sessions. Phone calls are being accepted and encouraged only.**

A staff member will be available M-F 10am-5pm at **704.455.5200**. A message left after hours will be returned as soon as possible.

- **We will continue to provide critical material needs such as diapers, wipes, baby food and formula.** Clients must call 704.455.5200 to schedule a pick up time with a staff member. Staff will follow special procedures with how materials are handled.
- **Calls received regarding an unplanned pregnancy or calls for a pregnancy test:** We will continue to assist as best as we can. A staff member will determine the best approach and consultation to help the individual.

*No new client visits* will be scheduled at this time; however, individuals will be placed on a call back list once GATE is open for normal operations.

- **No used donations** will be accepted at this time. Donations of new boxes of diapers and wipes are greatly appreciated. We are in most need of diapers size 5 and 6. Orders can be placed online from Amazon, Walmart, etc. and items can be shipped to GATE PRC, 3824 Hwy 49 South, Harrisburg, NC 28075. Items can be left at the door in Harrisburg, but we are requesting a phone call first.
- **Volunteers:** At this time all volunteers are asked to stay home and follow precautionary procedures as outlined by the CDC to stay healthy.

**All current clients, new clients and volunteers will be asked to complete a Coronavirus Screening form before resuming services or volunteering at GATE PRC.**
